## REPORT OF THE BOARD OF MANAGEMENT.

THE Board of Management of the Manchester Royal Eye Hospital has pleasure in presenting to the Trustees and Subscribers the Annual Report and Accounts for the year 1940, the one hundred and twenty-sixth year of the Hospital's work.

The number of patients treated has been as follows :—

Out-patients (new) 38,058, an increase of 392

In-patients ..... 2,949, a decrease of 56

as compared with 1939. The average length of stay of In-patients in the Hospital was 17 days, and the number of accidents treated was 13,202, an average of 36 per day.

The Hospital has received the following legacies during the year :—

The members of the Board wish to express their cordial thanks to all those who have given these sums, and also to the many firms, individuals, and others who have continued to support the Hospital.

The Hospital Work Society has presented a number of articles of clothing during the year, which are most useful.

The Board is most grateful to Messrs. Lewis's Ltd., and others, for their gifts of toys, etc., to the children for Christmas; to the various theatres for supplying free tickets to collectors of silver paper; and to those friends who have kindly presented wireless sets to the Hospital.

The Board would like to remind the supporters of the Hospital that for the sum of £1,000 a Bed can be endowed and named, or for £500 a Child's Cot.

The Old Patients' Remembrance Bed Scheme has again proved how appreciative the patients are of the treatment received in the Hospital. This year £259 16s. 3d. has been subscribed, with the result that four beds are maintained by this Fund.

It is with the deepest regret that mention has to be made of the death of our late Chairman, Alderman H. J. Goldschmidt, J.P. Alderman Goldschmidt had been actively connected with the Hospital since 1889 and Chairman since 1921, which office he

held until his death. For fifty-one years he has served the Hospital with devotion, and the loss sustained by his death has been a severe shock to his colleagues on the Board of Management as well as to the staff. His presence and wise counsel will be sadly missed.

The death of his brother, Mr. R. P. Goldschmidt, is also recorded, and by his death the Hospital has lost another very faithful friend and supporter. He was Honorary Auditor of the Hospital from 1901 to 1936, when he became one of the Vice-Presidents.

The Hospital has lost another great friend and helper by the death of Mr. A. W. Arning, who was a member of the Board of Management from 1906 to the time of his death. During these thirty-four years of valuable service he served the Hospital well and was one of its most regular attendants at the Board of Management meetings. His presence is sadly missed by his colleagues.

The Board of Management received with regret Dr. H. H. McNabb's resignation from the post of Honorary Surgeon, a post which he has held with so much distinction for many years. His active connection with the Hospital covers a period of forty years, and the Board wish to place on record their deep appreciation of the valuable services he has rendered. On his retirement Dr. McNabb became an Honorary Consulting Surgeon, and in recognition of his valuable services to the Hospital the Board of Management had pleasure in appointing him a Vice-President of the Hospital.

The following appointments were made during the year :—

Dr. O. M. Duthie from Honorary Assistant Surgeon to Honorary Surgeon.

Dr. S. B. Smith from Registrar to Honorary Assistant Surgeon.

The progress of the Hospital has been sadly interfered with by enemy action, as on the night of the blitz in December, 1940, a bomb exploded on the south wing, resulting in the temporary closing of the Hospital. It is with regret that the Board announce that two young lives were lost. It is hoped that in the near future the Hospital will be reopened for in-patients on a reduced scale. The Out-patient Department had continued to function to the full.

The Board would like to place on record their appreciation and thanks to the Medical Officer of Health and to the A.R.P. services for their splendid co-operation and assistance during this anxious period.

The members of the Board tender their cordial thanks to the Honorary Medical Staff for their attention to the welfare of the patients.

The work of the Resident Medical Staff has given every satisfaction to the Board. Dr. F. Janus, B.Sc., M.B., CH.B., fills the post of Resident Surgical Officer, and that of House Surgeon is held by Dr. R. Stewart Scott, M.B., CH.B.

The Board gratefully appreciate the services of the Bacteriologist, the Registrar, Out-patient Medical Officers, and the Anæsthetists.

The Board thanks the General Superintendent and Secretary, Mr. H. R. North, for the able manner in which he has carried out his duties.

Miss Jane Reilly, who was appointed Matron as from the 1st January, 1940, has given excellent service during the year, for which the Board are most grateful.

The Board also thanks the members of the Nursing, Household, and other sections of the staff for their services.

The annual expressions of thanks to the Honoraries and staff are by no means perfunctory, but this year there is a special significance as they cover the time of our tragedy. They all came to the rescue splendidly and did more than pull their weight.

The forms of disease treated and particulars of the number and character of operations performed during the year will be found tabulated as usual, as well as full details of the number, place of residence, and occupation of the patients, and other information which may be of interest to subscribers and friends of the Institution.

The statement of Income and Expenditure and the Balance Sheet showing the investments of the Hospital are appended.

OF THE

## Manchester Royal Eye Hospital.

**Name, Government.** I.—This Charity shall be known and distinguished by the name of the “MANCHESTER ROYAL EYE HOSPITAL”; and the government thereof shall be vested in the hands of the Trustees, qualified as hereafter mentioned.

**Trustees : Out-patients, Recommendations.** II.—All persons subscribing One Guinea and upwards annually shall be Trustees. Every Trustee shall be entitled to recommend twenty Out-patients a year, and the authorised representative of any township, body corporate, society, or firm contributing such amount shall possess the same privilege. Every Trustee shall be at liberty to vote at any General Meeting. Any clergyman or other minister of religion shall, for the twelve calendar months next after payment of a collection made by him in aid of the Hospital, be entitled to recommend twenty Out-patients.

**Life Trustees.** III.—All persons contributing the sum of Ten Guineas and upwards, at any one time, shall be Trustees during life; and the authorised representative of any township, body corporate, or society contributing the like sum shall be a Trustee.

**Trustees *ex officio.*** IV.—The Honorary Medical Officers of this Hospital shall be Trustees *ex officio*, having the power also of admitting In-patients without recommendation in all cases of emergency.

Subscriptions, when due. V.—All subscriptions for the current year shall be deemed to become due on the anniversary of the day on which they were first paid.

General Meetings: Annual and Special. VI.—An Annual General Meeting of the Trustees shall be held in January, for the purpose of receiving a report from the Board of Management and transacting other customary business; and Special General Meetings shall be held at such times as may be determined upon by the Board of Management; six days' notice of all such General Meetings to be given by advertisement in two Manchester papers, and not less than five Trustees being present to constitute the meeting.

Legislation. VII.—The power of making and repealing laws shall be vested only in the General Meeting; and no proposal for altering any of the rules of the Hospital shall be received unless at least a fortnight's notice of such intended alteration has been given by advertisement in two of the Manchester papers.

Honorary Officers & Board of Management. VIII.—At the Annual General Meeting of Trustees a President, a firm of qualified Auditors, and a Board of Management shall be elected. The Board of Management shall consist of not less than twelve members. Any vacancy on the Board occurring during any year may be filled by the Board, but any such appointment shall be subject to confirmation at the next ensuing Annual Meeting. The Board shall have the power of electing or displacing the Honorary Medical Officers and all paid Officials and Servants, and of superintending the entire management of the Institution. The meetings of this Board shall be held at least monthly, and two shall form a quorum, except in the election of any Honorary Medical Officers, when the quorum shall be six.

Finances. IX.—The finances of the Charity shall be under the control of the Board of Management, who shall have the immediate management thereof.

Donations and Legacies. X.—All donations and legacies exceeding £500 (except when otherwise specially given) shall be invested as soon as conveniently may be, and the interest thereof shall be

available for current annual expenses. Donations and legacies not exceeding £500, and not given specially for investment, may be applied towards the current annual expenses. The capital of the funds of the Charity shall not be dealt with, except for the purposes of investment, without the sanction of the Trustees at the Annual General Meeting or a Meeting specially called for that purpose, but any sum or sums not exceeding £250 in any one year may be applied out of the capital of the funds to meet deficiencies on Revenue Account.

Special  
Trustees.

XI.—There shall not be less than four special Trustees, and all the property of the Charity (except such as shall be in the hands of the Treasurer or the Bankers) shall be vested in the names of at least two of such Special Trustees upon trust solely for the use and benefit of the Charity. Such Special Trustees shall be elected at an Annual General Meeting of the Trustees, or at any Meeting of the Trustees specially called for that purpose, and the names of such Trustees shall be printed in the Annual Report. Any vacancies occurring amongst the Special Trustees during any year may be filled up by the Board of Management, who may, if they think fit, appoint any member or members of the Board to supply such vacancies.

Investments. XIII.—The funds of the Charity shall, with the approval of the Board of Management, be invested in the names of not less than two Special Trustees in any stocks, funds, or securities in or upon which trust funds may for the time being be authorised by law to be invested, or in or upon the bonds, debentures, debenture stock, mortgages, or securities of any public, municipal, or local body or authority in the United Kingdom, but not in any stocks, funds, bonds, shares, or securities to bearer or transferable by mere delivery and endorsement, though coming within the general description of investments hereinbefore authorised, with power at the discretion of the Board to vary or transpose such investments into or for others of any nature hereinbefore authorised.

Cheques. XIII.—All moneys received on behalf of the Hospital shall be deposited in such bank or banks as the Board of Management shall approve. All cheques shall be signed by any one of

such members of the Board as shall be specially appointed by the Board for that purpose, and countersigned by the Honorary Secretary or the Secretary.

**Deeds and  
Securities.**

**XIV.**—All deeds and securities belonging to the Charity, or relating to the invested funds, shall be deposited at the Bankers of the Charity, or at the Hospital in a safe provided for the purpose.

**Honorary  
Medical Officers,  
Paid Officers.** **XV.**—The Honorary Medical Staff shall consist of Consulting Surgeons, Honorary Surgeons or Honorary Assistant Surgeons, an Honorary Pathologist, and such other Officers as the Board of Management may think fit to appoint. When a Surgeon has fulfilled the duties of his office for a period of twenty years he shall be entitled to become, at his own option, Consulting Surgeon, and any Surgeon having attained the age of sixty-five years shall be placed on the list of Consulting Surgeons. Such Honorary Medical Officers shall form a Medical Board, and meet at least once in three months to consider any medical question connected with the Hospital, or which may from time to time be referred to them by the Board of Management.
